Due to a chronic and worsening back condition I have made the sad decision to reduce numbers. They are all unspoilt, have no vices live in or out, and are quiet to handle. Five star homes are sought.

HISLEY ROSY DAWN – 11 years – Liver Chestnut with white star and snip – Mare

Sunny is a lovely strong mare. She would make a superb broodmare or WHP. She was backed as a 5 yr old but has done nothing since through no fault of her own £650

HEADWAY MAYFAIR – 9 years – Black no white – Mare

Sire: Wynhill Golly Gosh Dam: Stourton Royal Mint

Maisie is one of Golly's last crop of foals, a big strong girl. She would make a superb brood mare or WHP and was backed as a 5 yr old and turned away, having done nothing since. £600

STOURTON PLATITUDE – 8 years – Black with no white – Mare

Sire: Flydon Tor Royal Dam: Shilstone Rocks Platypus

Hattie is broken to ride, hacks out alone or in company, and was starting to tackle small jumps when my daughter lost interest. She is still a bit green, and can be wilful, so is not a novice ride. She needs a quiet but assertive rider to achieve her potential. £1,200

If required I can offer a free service to either of my stallions, Stourton Edward or Hoselode Laertes for next season. No timewasters please.
