WANTED

We are incredibly heartbroken at the loss of our beautiful Catkin and as a mum, I need to fix my daughters broken heart and the Dartmoor breed is one we particularly love & trust.

We are situated in Fernhurst, Surrey (on the West Sussex border) in the heart of the South Downs National Park. We have a space on a lovely 500-acre farm where our new pony will come and live a very happy life partaking in regular pony club activities with Cowdray Hunt Pony Club and weekly private lessons with my 5year old daughter. We have so much love to give to our new pony and they will want for absolutely nothing.

Ideally we would like a pony between the height of 12hh - 13hh, lead rein/first ridden.

If possible, full loan would be our ideal choice but loan with view to buy or sale (low four figure) would be an option too.

We are a knowledgeable family with 25+ plus years experience of owning horses & ponies.

Our new pony would be stabled at night during the winter months and out during the day and during the summer months, they would be in during the day and out at night.
