Stallions:

DUNMERE ASTRA NOVA – 5 year – Brown – Stallion

SOLD

Sire: Sup. CH. Dunmere Glayvar Dam: Ch. Dunmere Meadowsweet (full sister to Dunmere Woodruff)
I believe this charming pony will, in a knowledgeable private home, go to the top as a ridden pony. He was broken winter 2019/2020 quietly, hacking out nicely before going to 4 shows 2020. He was unbeaten both in hand and ridden including Sup of Show, Res Ridden Champion. He has been turned away for the winter and is now ready to start work again, being still eligible for novice classes. Eric has a lovely front, good limbs with short cannon and good straight action. His temperament is second to none, easy to do in all ways, Turns out with geldings. Up to date with worming/anti tetanus jabs. If gelded would make HOYS L/R, F/R.

WANTED

We are incredibly heartbroken at the loss of our beautiful Catkin and as a mum, I need to fix my daughters broken heart and the Dartmoor breed is one we particularly love & trust.

We are situated in Fernhurst, Surrey (on the West Sussex border) in the heart of the South Downs National Park. We have a space on a lovely 500-acre farm where our new pony will come and live a very happy life partaking in regular pony club activities with Cowdray Hunt Pony Club and weekly private lessons with my 5year old daughter. We have so much love to give to our new pony and they will want for absolutely nothing.

Ideally we would like a pony between the height of 12hh - 13hh, lead rein/first ridden.

If possible, full loan would be our ideal choice but loan with view to buy or sale (low four figure) would be an option too.

We are a knowledgeable family with 25+ plus years experience of owning horses & ponies.

Our new pony would be stabled at night during the winter months and out during the day and during the summer months, they would be in during the day and out at night.
