2023 Gelding Grant- £100

When you have a colt castrated, please apply for this as soon as possible and within the 6 months time limit of castration.

Grants are limited and will be on a first come, first served basis, and only one grant per Member/Stud is guaranteed.

Please ensure you

1. Return your passport if a GD number has not already been allocated.
2. Enclose a Vet's letter or copy of bill, or in passports issued since July 2009 ensure the Vet has signed and stamped the stallion/gelding page in the passport accordingly.
3. Meet the criteria regarding Membership subscriptions.

This grant is also available to foals being registered as geldings, but the grant application MUST accompany the foal registration application along with a vets letter or copy of the vets bill confirming castration.

PLEASE NOTE: GELDING grants are for pure bred ponies only.

All these grants are available due to the generous donation of funds from the Horserace Betting Levy Board, to which the Society has to add 20% to any grant issued. We are very grateful for the generosity of the Horserace Betting Levy Board and hope members make good use of the grants available.
